## FAIRTRADE INTERNATIONAL

Endangered Species Chocolate is the first American-made chocolate using fully traceable Fairtrade cocoa from West Africa. Endangered Species Chocolate has an established history of working with cocoa farmers in West Africa, supporting growers that commit to high standards for quality and ethical trade. Now, Endangered Species Chocolate is expanding that support with the transparent reporting resources of Fairtrade International, a program that guarantees a fair price for small farmers in developing countries.

## NON-GMO PROJECT VERIFIED

This seal verifies that our chocolate is produced according to rigorous best practices of GMO avoidance. The Non-GMO Project and Endangered Species Chocolate respects your right to know what's in the food you're eating and the products you're buying.

## VEGAN ACTION

Many of our dark chocolate selections are Certified Vegan® by Vegan Action. This certification provides vegans an easy-to-recognize symbol signifying that an item contains no animal products and is not tested on animals. Please note that Vegan Certification is not an allergen certification. If you have dairy allergies, please refer to the allergen statement located on the ingredient panel of our chocolate products.

## GLUTEN-FREE

A gluten-free diet is a diet completely free of ingredients derived from wheat, barley, rye, and triticale. Endangered Species Chocolate meets the strictest standards for gluten-free, going beyond the requirements of government law and regulations. This symbol enables people to easily identify our chocolate as a gluten-free good with confidence.

## KOSHER

Endangered Species Chocolate products are certified kosher-dairy by Orthodox Union (OU). For over 80 years, the OU has maintained the highest standard of kosher supervision and Kosher Certifications. Since our milk and dark chocolate are processed on shared equipment, all of our chocolates are certified kosher-dairy.

## RSPO (Roundtable for Sustainable Palm Oil)

The dairy-free crème found in our 3oz. Filled Bars is made using RSPO Certified palm oil, sourced from Brazilian grower, Agropalma. RSPO certification promotes the growth and use of sustainable palm oil, helping reduce the negative impact of palm oil cultivation on the environment. Additionally, IBD EcoSocial certification provides complete traceability of fair trade and zero deforestation criteria.
